

**SWIM MEET CONTRACT**  
**LONG & SHORT COURSE SEASONS**  
**Barracuda Aquatics Club, member of Blackline Aquatics**

Barracuda Aquatics Club funds its activities from two main sources. The first source is the seasonal dues you have agreed to pay. The second source is the hosting of two large weekend swim meets each season. Generally, BAC can expect to earn \$3,000 to \$10,000 at each of the meets we host.

It takes 40 to 55 people to run each session of the meets that we host. Since each meet will have between four and six sessions, ***a minimum of 160 people is needed to run a weekend swim meet.*** This requires the presence and participation of each of our members.

**The following conditions are part of your agreement to be a member of Barracuda Aquatics Club:**

1. The Board of Directors will communicate with the membership the required number of sessions each family is to work for each meet at the start of each season.
2. Each family will provide workers to satisfy the meet session requirements as set forth by the Board, regardless of whether or not that family's swimmer(s) are participating in the meet.
3. If a family cannot provide the needed workers, it is the family's responsibility to make arrangements **ahead of time** with the Meet Staffing Coordinator to help with a job prior to or after the meet. **There are a limited number of these jobs and they are assigned on a first come, first served basis.**
4. Every year Barracuda Aquatics Club hosts 3-5 swim meets. The meets are as follows:  
    Long Course Season - One weekend meet  
                                    BLA Tri practice meets  
    Short Course Season - Two weekend meets  
                                    BLA Tri practice meets
5. The practice meets can be run with a much smaller group of people than our weekend meets. We will be asking for volunteers to work these meets as well, however these meets will not be part of the required meet worker agreement.
6. At each meet there will be a registration table where you may sign in when you arrive at the pool. It is your responsibility to make sure that you have signed in properly.
7. **Failure to satisfy the requirements spelled out above in conditions #2 and #3 will result in a \$50 assessment per session not worked for that family for each meet.** Non-payment of this assessment will result in non-participation for the swimmer.
